

## STUDENT STATEMENT FORM 2022

I, \_\_\_\_\_ (Student Name), am committing to attend every day of the Summer Choral Intensive program prepared, practiced, and with a positive attitude. I will be a good teammate for my fellow choir members by studying my music prior to the Monday, July 11, 2021. I will come with an open mind, ready to learn and experience new music and friends. I understand that this program is not a competition, but rather a chance to work with students from the community with similar passions as mine. I will listen and behave appropriately for the week and will respect the SCI Staff and Students. In return, I will be respected as well.
